

## from the President

Paula Wise

As I write this, we are halfway through August and local schools are getting ready to open for the year. When I was growing up, I couldn't wait for school to be over in June. Then, by early September, I was bored and couldn't wait to go back to school. (Note that our school year in Cleveland, Ohio in the 1950's and 60's started right after Labor Day and ended in mid -June.)

There has been an ongoing debate in educational circles as to whether the school year from

early fall to late spring was based on an agricultural calendar so that kids could help their parents with planting and harvesting and still keep up with their studies. Of course, it could also be that everyone (teachers and students) needs a break when the weather warms up. The concept of year-round schooling has not been as popular as some educators thought it would be even though the majority of young people in the US no longer are needed to help on farms.

One of the things I loved about summer vacation was the time I could spend reading whatever I wanted. Our public library had a summer reading program in which we had to read a certain number of books. We had to report on those books to the librarian, Mr. Mayte, who asked questions until he was convinced we had actually completed each book. I don't remember if we got a certificate of completion – I'm sure there was no celebration or party. Still, it was an enjoyable way to keep up our reading skills over the long summer months.

I hope you have all had plenty of time to read and enjoy books this summer in whatever spare time you could find. Please don't forget the Friends of the Macomb Public Library's Better Books Sale on Saturday September 10th.

Happy Reading!

## Heritage Days 2022 Book Sale Results

Becky Parker and Elisa Rasmussen

A steady crowd brought in great results for the Heritage Days this year! The 2-hour Thursday Members Only Preview Sale was one of the best we've had! In just two hours, the dozen half-priced books opportunity brought in over \$1,000 with \$485 of that being membership dues. Our total book/media sales for the three day was just under \$7,000. We had an outstanding crew of volunteers. The most amazing volunteer accomplishment was taking down the entire sale (books, tables, signs, etc) in 22 minutes! Thank you everyone for attending and volunteering!

### 2022 Adult Summer Reading

Sharon Sample, Adult Services

This year's theme was the same as the Youth's, the iRead chosen, "Read Beyond the Beaten Path." It was a camping-based theme. 102 adults registered and 41 finished for a completion rate of 40%.

The Kick-off event for the adult SRP was the Lotus Lantern and Korean Culture Program on June 2, 2022, which maxed out with 15 participants and a waiting list of 16. The participants emphatically told the presenter, Younhee Shin, they wanted an encore presentation so others could participate and have the same experience. However, she was already booked until mid-late fall.

All finishers' names were entered into the drawing and received a prize. All other finishers received the Macomb Public Library District sunglasses. This particular prize was the result of collaboration between the Adult and Youth Services staff. These "sunnies" are royal blue, well-constructed, UVA/UVB protection for each wearer and have been received with tremendous enthusiasm. Patrons enjoy receiving prizes they can use. These glasses fit most, which is really beneficial. Kudos to Tiffany for finding these awesome shades!! We have only had a few casualties and replace them when asked, while supplies last.
